RL's Tea Party Appreciation

RL recently arranged a lovely tea party with the support of staff and his team leader to show his heartfelt appreciation. The gathering was a special way for RL to express his gratitude, and everyone involved had a wonderful time celebrating his thoughtfulness.

We are so proud of RL for taking the initiative to organize such a meaningful event and for showing such kindness and appreciation to those around him.

A Special Card for RL's Uncle and Aunt

In addition to the tea party, RL also created a heartfelt card and sent it to his Uncle and Aunt to express his gratitude for their care and support over the past 20 years. It's gestures like these that reflect RL's deep appreciation for the people who have been there for him, and we are so touched by his thoughtfulness.

What a wonderful way to show love and appreciation!

Plans for the New Year

We regret to inform you that, unfortunately, we had to cancel our Christmas party at the Thurmaston Centre due to unforeseen circumstances. We understand that this news is disappointing, especially since many of our service users were eagerly looking forward to the event. Some may not fully understand why they couldn't attend, and we sincerely apologize for any confusion or upset this may have caused.

However, we're hopeful that in the new year, we can find a way to make up for this celebration. We would also like to extend our heartfelt thanks to all the support staff and managers who worked tirelessly to create a smaller celebration to bring some festive cheer in light of the cancellation. Your understanding and continued support mean the world to us.

We look forward to celebrating together in the near future!

A Message from Shayna!

It's been a challenging year, but I am extremely proud of our staff and management team. Well done for all your hard work and dedication! As we look ahead to 2025, I am excited about the potential achievements and opportunities that await. Let's continue to work together and make the upcoming year even more successful.

Hinckley's Very Merry Christmas Party!

Celebration of Learning & CCBuzz Christmas Show

We are thrilled to share that Kerry recently celebrated her achievements at the **Celebration of Learning Awards**, where she proudly collected her certificates for her outstanding work in arts and crafts. Kerry thoroughly enjoyed attending these sessions, and it was wonderful to see her dedication and creativity recognized.

We're excited to share that both Kerry and Richard took part in the **CCbuzz Christmas Show**, adding their own special touch to the festive event. Their participation was a highlight, and we couldn't be more proud of them for embracing the opportunity to showcase their talents.

Thank you, Kerry and Richard, for making the CCBuzz Christmas Show such a memorable experience!

A Special Christmas Celebration

Although the larger Christmas party at the Thurmaston Centre had to be cancelled, we're pleased to share that Rainey Spencer-Taylor arranged a small but heartfelt celebration for the service users at the day centre.

We hope this little celebration helped bring some warmth and happiness, and we look forward to the opportunity to come together for a larger event in the new year.

Kerry's Cooking Journey

Kerry has recently started cooking with her staff, and while it can sometimes be challenging for her, she is making incredible strides in her independence. With each session, Kerry continues to build confidence in the kitchen, and we are so proud of the progress she's made.

Her determination and hard work are truly inspiring, and we can't wait to see how she continues to grow in this area. Keep up the fantastic work, Kerry!
