## Dressed to Impress!

Love and confidence were shining bright this Valentine's Day!

Our wonderful client, JGH, looked absolutely stunning in a gorgeous red dress, embracing the spirit of romance and feeling like a true princess.

She attended a fabulous Valentine's party with her partner, celebrating love, laughter, and the joy of being in great company.

Seeing our clients enjoy these special moments is what it's all about—defying expectations and proving that supported living is about living life to the fullest.

At Accredo, we believe everyone deserves to experience life's joys in the exact same way as anyone else, and we're so proud to support and celebrate these beautiful moments.

## Celebrating DC's Talents!

A special shoutout to our amazing client, **DC in Leicester**, who is thriving in his **Remit College lessons**! He has been showcasing his creativity and skills by designing **PowerPoint presentations and videos** to celebrate Easter and Pride—what an incredible achievement!

DC's talent and dedication continue to shine, and we are **so proud** of

his progress. A **huge well done** to him for all his hard work! Keep up the fantastic effort—we can't wait to see what you create next!

## Love is in the Air!

February was full of heartwarming moments, and we're so excited to share a truly special story! Two of our lovely clients embraced the Valentine's spirit by attending a fabulous Valentine's Disco, where they sang, danced, and celebrated with staff and friends.

But the romance didn't stop there! A few days earlier, on February 14th, they went on a super romantic date together. With the support of our dedicated staff, a perfect evening was planned—helping KF get ready, making the booking, and ensuring everything was just right. The highlight of the evening? Exchanging thoughtful gifts, sharing a few endearing blushes, and simply enjoying each other's company.

It's moments like these that remind us how important love, friendship, and support are in everyone's lives.
